A Message from the Executive Officer

As the year unfolds, I would like to highlight some of our recent activities, introduce our new Minister, and hope you enjoy reading our latest newsletter for the first quarter of 2016.

Recent events in Canberra with the Federal Government have resulted in a change in Ministers. I would like to congratulate Senator, the Hon Fiona Nash, Deputy Leader of the Nationals as the new Minister for Regional Australia and look forward to progressing our agenda under her guidance and leadership.

I would also like to acknowledge the work by the Hon Warren Truss MP who has provided the RDA network with strong leadership, direction and purpose.

On 10 February Chairman, Greg Stocks and I joined 23 other Business, Federal, State and Local Government representatives on a tour of the Bremer Bay Canyon. Hosted by the Shire of Jerramungup, the tour of this marine hotspot on the Naturalist Charter boat lived up to and exceeded expectations. The display of the many species of marine life was an experience not to be missed. The vision of breaching killer whales, dolphins, sea lions and bird life was truly spectacular. I would recommend that you take the time to enjoy this world class marine tourism experience.

The RDA Great Southern Committee met in February in the picturesque Denmark Shire. After regular business, we were privileged to have Vivienne Robertson, Artistic Director of Denmark Arts explain the development of the thriving sustainable creative industry in the region. Congratulations to Vivienne and Denmark Arts on their vision to become a beacon of excellence in fostering regional community arts practice and providing an environment where creativity can flourish. This is evidenced by the success of the Denmark Markets, Festival of Voice and the Brave New Works Community Arts Festival.

David Morrell, President of the Shire of Denmark also provided an update on the development of the Shire with the population growth increasing to over 6,500.

The successful $250,000 grant application to the Australian Government’s Tourism Demand Driver Infrastructure Program to construct the Wilderness Ocean Walk (WOW) Trail between Ocean Beach, Back Beach and Lights Beach, was announced by Senator the Hon Richard Colbeck, Minister for Tourism and International Education, when he visited Denmark on 17 February.

I thank the Shire of Denmark for their hospitality and the Committee looks forward to meeting in other Shires of the Great Southern throughout the year.

A Message from the Executive Officer

As the year unfolds, I would like to highlight some of our recent activities, introduce our new Minister, and hope you enjoy reading our latest newsletter for the first quarter of 2016.

Recent events in Canberra with the Federal Government have resulted in a change in Ministers. I would like to congratulate Senator, the Hon Fiona Nash, Deputy Leader of the Nationals as the new Minister for Regional Australia and look forward to progressing our agenda under her guidance and leadership.

I would also like to acknowledge the work by the Hon Warren Truss MP who has provided the RDA network with strong leadership, direction and purpose.

On 10 February Chairman, Greg Stocks and I joined 23 other Business, Federal, State and Local Government representatives on a tour of the Bremer Bay Canyon. Hosted by the Shire of Jerramungup, the tour of this marine hotspot on the Naturalist Charter boat lived up to and exceeded expectations.

The display of the many species of marine life was an experience not to be missed. The vision of breaching killer whales, dolphins, sea lions and bird life was truly spectacular. I would recommend that you take the time to enjoy this world class marine tourism experience.

The RDA Great Southern Committee met in February in the picturesque Denmark Shire. After regular business, we were privileged to have Vivienne Robertson, Artistic Director of Denmark Arts explain the development of the thriving sustainable creative industry in the region. Congratulations to Vivienne and Denmark Arts on their vision to become a beacon of excellence in fostering regional community arts practice and providing an environment where creativity can flourish. This is evidenced by the success of the Denmark Markets, Festival of Voice and the Brave New Works Community Arts Festival.

David Morrell, President of the Shire of Denmark also provided an update on the development of the Shire with the population growth increasing to over 6,500.

The successful $250,000 grant application to the Australian Government’s Tourism Demand Driver Infrastructure Program to construct the Wilderness Ocean Walk (WOW) Trail between Ocean Beach, Back Beach and Lights Beach, was announced by Senator the Hon Richard Colbeck, Minister for Tourism and International Education, when he visited Denmark on 17 February.

I thank the Shire of Denmark for their hospitality and the Committee looks forward to meeting in other Shires of the Great Southern throughout the year.
